Resources

[OEL Member Portal](#)

As a Member, you have access to the **Member Portal** by logging in from our website with your OEL login credentials. The Member Portal is your access to the Member Community where you can participate in industry discussions and access exclusive content like the Member Benefits Package. Members can log in to the Member Portal through www.oel.org.

[OEL Annual Report](#)

The **Annual Report**, released every June, is a tie-in to the Annual General Meeting (AGM) for Members and contains a summary of our activities throughout the year.

[OEL Job Board](#)

OEL Job Board is a job posting platform and Applicant Tracking System. Integrated with major public job boards like Indeed, Monster, and Glassdoor. As a Member, you can post your job vacancies at no cost. Featuring a built-in assessment tool, find the candidate that's right for your job and your company.

Calculate Your Rate

Our **Calculate Your Rate** system on the Member Portal takes pricing and wages data from all our Members and gives you a financial breakdown on all costs for labour.

Annual Labour Rate Survey

The **Annual Labour Rate Survey** is an anonymous survey that goes out to Members every year to collect data on Members' rates depending on their work and geographical area. The results are published on the **Annual Labour Rate Report** (next point).

[Annual Labour Rate Report](#)

The **Annual Labour Rate Report** contains the data from the Survey showing the various hourly rates that our Members are charging for each functionality within the industry, sorted by geographical area.

[Apprentice Subsidies for Employers](#)

With support from Ontario's Skills Development Fund, our **Apprentice Subsidies for Employers** helps accelerate the future of our industry by providing financial support to contractors for their apprentices' wages, equipment, training, and more. This program is open to everyone regardless of Membership. View more details on www.oel.org.

Small Business Development Series

With support from Ontario's Skills Development Fund, our **Small Business Development Series** delivers free webinars, coaching, and small-group discussions focused around key topics every month to help small business owners navigate their unique real-world challenges. This program is open to everyone regardless of Membership.

The OEL Member Portal

As a Member, you have access to the internal [Member Portal](#) by logging in from the OEL website. The Member Portal is your access to the Member Community where you can participate in industry discussions and access exclusive content like the Member Benefits Package.

Built-In Internal Social Platform

Connect with fellow Members from across the province and participate in discussions relevant to you and your local community.

Exclusive Member-Only Resources

Access exclusive resources available to Members, like the full Member Benefits Package, Chapter Meeting Summaries, and more.

Manage Your Membership

Add your employees to your Membership so they can access the Member Portal and all the other benefits that come with OEL Membership.

Setting Up Your Member Profile as an OEL Member

As soon as your Membership is approved, you will receive an automated email from **GlueUp**, our internal system that powers the Member Portal.

If you did not receive the email, please check your junk mail folder or contact your dedicated Member Services representative to help you get set up.
